Envirovision is displaying its full range of HD Ready Freeview waterproof bathroom TVs at CEDIA. The 19" model is available in two versions: the 19EA series is supplied with separate waterproof ceiling mounted speakers whilst model 19IA offers integral waterproof speakers.

Available in a range of very high quality finishes including mirror or brush polished stainless steel, black, gold or mirror screened. Additional options include a sky remote control link and a multi systems remote control link to control any other device.
