The CEDIA board of directors approves the 2019 executive committee and votes for Rob Sutherland as EMEA appointed director for the 2019-2020 term. David Humphries, principal of Atlantic Integrated, serves as chairperson.

"With CEDIA's 30th year underway, the board will continue to focus on driving forward the organisation's strategy that will boost industry connections with the design and build trade, enhance educational experiences, elevate professionalism, and build workforce development processes that will grow our pipeline of qualified talent," Humphries says. "The global reach of CEDIA is the key to parlaying existing successes into ongoing progress."
