Crestron UK announces this year's edition of its annual integration awards, awarding the hardest working installers for the best projects (as well as for the use of its products!).

Award categories are as follows:

- Best Integrated Home System (displaying the best use of Crestron Total Home Technology)
- Most Distinctive Digital Media™ Installation (awarded to great projects featuring this new technology)
- Home Sweet Home Cinema (amazing home theatres)
- Brilliant Lighting Control and Design (Crestron lighting applications)
- Most Extreme Makeover (eye-catching retrofit projects)
- Ultimate Connected Home (best integrated home – below €500k)
- Ultimate Connected Home (best integrated home – over €500k)
- Best High Rise Living (apartment, loft or studio integrations)
- Best Marine Project (yacht)
- Most Innovative Control Solution (AV, Lighting and HVAC)
- Most Creative GUI (open to programmers & CAIPs – inspiring programming)
- Best International Crestron Home (international property, outside of UK)

If you're up to entering your latest integration (completed between 1 January 2010 - 31 May 2011), be quick, as Crestron will be receiving entries until 31 May. It will then announce the results at London's Home Technology Event on 28-30 June.
