Metra Home Theatre Group (MHTG) announces an integration of the Spyclops fixed position IP security cameras with Control4 EA controllers, T3 touchscreens and the companion app for iOS and Android devices.

Once the user downloads and installs the camera drivers, they can view live Spyclops camera feeds from the Control4 mobile app. Live camera feeds and other viewing options remain available from the Spyclops Surveillance Systems remote viewing app.

Currently the Control4-compatible Spyclops IP security cameras are the SPY-BLTW2IP24, SPY-BLTG2IP24, SPY-BLTW3IP4, SPY-BLTG3IP4, SPY-MNBLTGIP4, SPY-MNBLTWIP4, SPY-MNBLTWIP2W, SPYMNBLTWIP4W, SPY-DOMEWIP4, SPY-DOMEGIP4, SPY-MNDMWIP4, SPY-MNDMGIP4.

The camera software drivers are available as a free download from the MHTG website.
