Key Digital announces a new HDMI cable line-- the Champion Series Hi-Fi Commercial PRO HDMI cables, designed for commercial applications with lengths ranging from 45cm to 23m.

The cables carry the latest HDMI features, including 4K resolution support, 3D, HDMI Ethernet and Audio Return Channel and support for next generation digital audio bit-streams such as Dolby TrueHD, Dolby Digital Plus and DTS-HD Master Audio.

Also offered is what Key Digital calls IQ Control technology-- a configurable Control line over HDMI supporting any 2 of CEC, ARC, IR or RS232.
